**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My independent local provider of internet service is a critical resource in my area. The recent proposals by big companies like AT&T are anti-competitive and will harm many customers, including me.

Please support broadband competition and do not give in to anti-competitive pressures from the big companies.
